

Furlong Maestro – Music Master Database initial set up

Password set up

Please follow the steps below to set up or reset your password to the main furlong maestro database.

1. On your **Computer/Laptop/Tablet/Ipad** access the database home page by clicking the link below

<https://schoolbase.online/Logon?exp=true&dname=musicmasters>

2. On home page click **forgot login details**
3. Then enter your **username** (this is your first initial and surname so for example **a.roye**) where prompted
4. Follow the instructions in the email you will be sent to reset your password

Mobile App download and set up

1. Download Furlong Masetro Teacher App to your mobile device
 - a. [ANDROID CLICK HERE](#)
 - b. [APPLE CLICK HERE](#)
2. Open Maestro teacher app
3. Set your **own** pin
4. Enter school code **7789**
5. Enter username and password as set up earlier

The mobile app will allow you to see your individual schedule and register pupils you have taught throughout the day. If you have any issues with any of the above, please contact Ashley in advance of training, so we can spend our time wisely on the day.
